

QUATRAC 3

SUMMER AND WINTER IN ONE TYRE

FEATURES

- Low air ratio and small number of sipes (summer side)
- Open tread structure featuring undulating sipes (winter side)
- Three central longitudinal grooves
- Sophisticated construction and tread design
- Bears regular M&S code and snowflake symbol

BENEFITS

- Optimal contact with the road surface and alert steering response
- Perfect grip and high dispersal capacity on water, snow, ice and mud
- Maximum water dispersion to prevent aquaplaning
- Low noise level that complies with the latest EU directives
- Complies with the requirements for official designation as a winter tyre
